Welcome to our News Notes Subscription page. News Notes is a monthly publication. Produced by the Fire Bell Club of New York, Inc. which is an affiliated organization of the Fire Department of New York. A hard copy of this publication is sent monthly to each FDNY Company and FDNY EMS Station along with ranking officials within the Department free of charge.

*Members of the department who have an active [fdny.nyc.gov](http://fdny.nyc.gov) email address can sign up as well for a free subscription which will be emailed to your FDNY address.*

As you can imagine there is a substantial cost to this. From printing to mailing along with database storage for our New Online Library.

If you would like a personal subscription to our Newsletter for a donation of \$30 (USD) we will email News & Notes to you (a hard copy will be sent upon request). All subscriptions run on a calendar year basis, January through December. Subscriptions that begin any time after January will receive previously distributed issues from that year.

**Additionally, you will receive access to our NEW online library with access to previously published New Notes issues.**

Thank you for your interest and support.
