Welcome to our News Notes Subscription page. News Notes is a monthly publication. Produced by the Fire Bell Club of New York, Inc. which is an affiliated organization of the Fire Department of New York. A hard copy of this publication is sent monthly to each FDNY Company and FDNY EMS Station along with ranking officials within the Department free of charge.

Members of the department who have an active fdny.nyc.gov email address can sign up as well for a free subscription which will be emailed to your FDNY email address.

As you can imagine there is a substantial cost to this. From printing to mailing along with database storage for our New Online Library.

If would like to subscribe to News Notes, which also allows access to our on-line historical database of previous news notes, you may subscribe for annual digital subscription costing \$25.00 or \$40.00 for an annual subscription with Hard Copy mailings.

Thank you for your interest and support.
